Exhaust Noise Suppression. It is mandatory for the exhaust system to be equipped with a noise suppressor of some type so as not to exceed a decibel level of 95 at 100 feet anywhere on the race track. In all cases, the decibel level should be measured at racing speed or RPM and shall not be exceeded anywhere around the track.

Schoenfeld #14272535 is the Track Spec compliant Muffler. If you have this muffler or you will be exempt from monitoring.
